CAMPAIGN FOR YOUNG WOMEN'S ORGANIZATION NOW ON

People Of Mason County Are Being Called Upon This Week To Contribute To Fund Supporting Great Organization.

The campaign for a large fund for the support of the Young Women's Christian Association throughout the whole of the United States is in full force this week and Mason county, as in all similar drives, is doing her full duty.

Mr. George Kirk, Acting Secretary of the Mayville Chamber of Commerce, is chairman of the Mason county campaign and is leading his every effort to make the drive in this county a decided success. The precinct workers in each of the twenty-two precincts of the county have been named and are now endeavoring to interest the people of the county in the big women's organization.

The Y. W. C. A. appeals to everyone who knows anything about the great work they have been doing and are now doing. This association worked hand in hand with all other similar organizations during the war but their outstanding work was in caring for the young women who came to the big cities for work and how thoroughly they do this work hundreds and thousands of young women who have come under their care will testify. This county has no definite quota for this campaign but it is known the contribution will be liberal.

HEAR JUDGE WILSON.

New voters and old voters hear Judge Wilson at the court house tonight discuss "The Democratic Party, Its History and Principles." The Democratic state organization is making great effort to organize Democratic women and to roll the full strength of the Democratic woman vote in November. A clear statement of the principles, spirit, purposes, achievements and leadership of the Democratic party will be a good start in the study of citizenship. Next Tuesday Judge Kerr will speak for the Republican party. Every broad minded man and woman will wish to hear both speakers.

Judge Wilson tonight at court house 7:30.

AID SOCIETY MEETS.

Regular meeting of the Ladies Aid Society of the Third Street M. E. church tomorrow afternoon at 2:30 o'clock. Those who will assist in the sewing are asked to meet early in the morning.

FORMER PROMINENT LOCAL HOTEL MAN DIED TODAY

Mr. D. R. Lindsay Died at His Home in Birmingham, Ala., this Morning—Was Native Masonian.

Mrs. J. N. Kehoe, this morning received a telegram telling of the death of her uncle, D. R. Lindsay, at his home in Birmingham, Alabama. Mr. Lindsay has resided in Birmingham for some years and will be buried at that point. He is survived by his wife and three daughters, Mrs. John Cocks, Mrs. Wm. Strait and Mrs. Ben Hardin, all of Birmingham, and a number of more distant relatives in this and adjoining counties.

He was the son of the late Wm. P. Lindsay and was born on the old Lindsay place near Mill Creek Church, this county, about sixty years ago, and spent all of his boyhood and most of his young manhood in this county.

He was proprietor of the St. Charles Hotel, of this city, years ago, and subsequently successfully conducted hotels at Louisville, Ky., Chattanooga, Tenn., and Birmingham, Ala.

He will be remembered by those of this community as a most affable, kindhearted man and true friend. He was very popular here in the days of his youth and much sympathy is felt and expressed for his family. May the soul rest lightly on "Dick" Lindsay, as he was affectionately known here.

MOVING PICTURES TAKEN OF FLOOD SCENES.

Mayor Thomas M. Russell and Dr. J. A. Dodson are becoming moving picture artists. These gentlemen have purchased a moving picture equipment and their first experiment was taking several views of the high water which will be shown at the Washington theater in the near future.

PLOWING IS BEGUN.

Farmers in this section have at last begun their spring work and local people attending the stock sales at Flemingsburg report that scores of farmers were seen plowing and burning tobacco beds.

MANY ATTEND FUNERAL OF POPULAR WOMAN.

The funeral of Miss Ella Mae Murphy held at St. Patrick's church this morning was largely attended by many friends and admirers of this most popular young lady. Burial was made in the Washington cemetery.

Mr. and Mrs. Robert McGlone have returned to their home in Akron, O., after a visit with her sister, Mrs. Thomas Barry and other relatives of the county.

Ledger Service—Efficiency.

GIRL GOES BACK ON FIRST STATEMENT; FATHER IS FREED

Daughter of George Berry Repudiates Her Statements Before Grand Jury And Refuses To Testify Against Father.

After the jury had been sworn to try George Berry, Dover man, on a charge of incest and he had waived formal arraignment, the case took a most peculiar turn in Circuit Court this morning.

The jurors had taken their seats in the jury box and a motion had been made for the court stenographer to take the notes. It was while the court was awaiting the arrival of the court stenographer that it was noticed that District Attorney Rees were having quite a discussion with Mrs. Joseph Higgins, the chief prosecuting witness. Attorney Grannis went to Judge Newell and after whispering something to him returned to his table and after a hurried conversation with County Attorney Rees, made a motion that the jury be discharged and the indictment against Berry be dismissed.

Attorney Grannis explained that this was the first instance of this sort he had experienced since being elected Commonwealth's Attorney. He explained to the court and the jury that the indictment against Berry for incest was brought solely upon the testimony of his daughter, Mrs. Joseph Higgins, who had claimed her own father to be the father of her infant child. He then said that Mrs. Higgins this morning had repudiated her former statements before the examining court and the Grand Jury and now refused to testify against her father. He stated that the girl had told him this morning that her father was not guilty of incest and for those reasons he asked that the jury be discharged and the indictment be dismissed.

Berry will still be held under a charge of carnally knowing a female under 16 years of age in which case another Dover girl is the chief prosecuting witness. He was tried on this charge during the last term of court and the trial resulted in a hung jury. He is now being held in \$1,000 bond and will probably be able to give it within a short time.

TRAFFIC RESUMED OVER SECOND STREET.

The Ohio River at this point is falling quite rapidly and this morning pedestrians were enabled to come from the East End over Second street by climbing over the C. & O. railroad. The water fell so that the steam fire engine could pump out the "hole" in Bridge street about noon and traffic into the East End over Second street has been resumed.

BIG PICTURE PLEAS.

The capacity of the Washington Theater was taxed Monday night with people to see "Twilight Baby," the feature funny picture given for the benefit of the Penny Lunch of the First District School. The picture was all that was claimed for it and the lunch fund was considerably increased by the profits from the show.

ADDITIONAL LAWYERS APPOINTED FOR EDDINS.

At the request of Hon. A. D. Cole, who during the last term of court was named to defend Henry Eddins, indicted for the murder of Benj. Schumaker, Judge Newell has appointed Attorneys James M. Collins and Frank P. O'Donnell to assist him in the defense.

ODD FELLOWS ELECT THEIR REPRESENTATIVES.

At the semi-monthly meeting of Pisgah Encampment, No. 9, I. O. O. F., held Monday night, Messrs. H. L. Walsh, Edw. W. Hutchinson, James Childs and W. R. Smith were elected representatives of the local encampment to the annual meeting of the Grand Encampment which will meet at Bowling Green, Ky.

INSTALLING NEW GAS TANK.

Workmen have been engaged for the past several days in installing a large new gasoline tank at the Riverview Auto Company's location in Front street. This large building is being put in first class condition for the occupancy of this firm.

REHEARSAL TONIGHT.

The first rehearsal of the Easter program "Now Life" will take place this evening at 7 o'clock at the Third Street M. E. church. Those who are to take part are asked to be on hand promptly.

AURORA BOREALIS STRONGER MONDAY NIGHT THAN USUAL

Northern Lights Interfere With Telegraphy Over the Country—Splendid View Obtained in Mayville.

New York, March 23.—Aurora Borealis was attacked last night by spring fever. He klicked up his heels, danced all over the sky and put telegraph wires out of commission from the Atlantic seaboard to the Far West.

The wire chief at headquarters of a telegraph company tried to take the patient's "pulse," but reported that the company had no instruments strong enough to measure the voltage in the electrical currents which swept across the heavens.

Nature's skylarking in the Northland made telegraphy an impossibility for 15 minutes—a record in this vicinity—and caused a flurry in newspaper offices in all parts of the country when news westward bound was held up.

The Northern lights were never more beautiful to this section of the country and hundreds of residents of Mayville watched the lights sweep over the Northern skies. This phenomenon has never been fully explained by students but it is known to be electrical discharges in the Northern atmosphere due to light shafts from the sun.

OBTAINING MONEY FALSELY IS CHARGE AGAINST MAN

Raymond T. Adams Arrested This Morning On Serious Charge When Check He Gave Is Returned As No Good.

Local police this morning placed under arrest Raymond T. Adams, local man, on a charge of obtaining money falsely and in default of \$200 bail he is now in jail awaiting an examination which will be given him in the local police court Wednesday afternoon.

It is charged that on March 10th young Adams purchased a small amount of meat from the Central Meat Market and tendered a check for \$10, on a local bank. The difference between his purchase and the face of the check was given him in cash. On the following morning, it is said, the young man called at the Meat Market and requested that the check be held for several days as he had overdrawn his account. This was done but after several days it was deposited and today it was returned marked "No Account with Us."

The matter was promptly reported to the police, the warrant issued and the young man was placed under arrest. Bankers say this young man never had an account with them of any kind.

KINDER JOINS ARMY AND IS RELEASED.

The father of George Kinder, Fleming county boy who was arrested here last week when he attempted to cash a forged check, was in Mayville today in conference with Chief of Police Harry A. Ort and District Prosecutor, B. S. Grannis in regard to his son, whose case was before the Grand Jury today. It was stated that this is the first trouble young Kinder has ever been in and upon his agreeing to join the United States Army for a term of three years, he was released. The young man immediately enlisted at the local recruiting station.

RIVER FALLING RAPIDLY.

The Ohio at this point is now falling quite rapidly. At 2:30 o'clock this afternoon the gauge at the local wharf registered 49.5 feet.

The population of Mayfield, Ky., as announced by the census bureau Monday evening is 6,583, an increase of 667 or 11.3 per cent. over the 1910 census.

MINERS ON TRAIL OF THE DETECTIVES AFTER A BIG FIGHT

Detective Ships Child and Fight Follows Which Causes Death of Two In Harlan Coal Fields.

Middlesboro, Ky., March 22.—Miners tonight in Harlan county are said to be organized and searching for members of the Baldwin detective agency, recently on duty in the Upper Harlan Fork coal mines, following the killing of two men, fatal wounding of a third and the wounding of three others in a clash between miners and guards Saturday afternoon at dusk, at the Banner Fork mines on Wallis Creek.

Bud Taylor, a miner, and Deputy Sheriff Burkes, of Harlan county, are dead. James Hall, one of the detectives, is fatally wounded.

The clash took place following a target practice Saturday afternoon. Hall, who was said to have been placed in the mines with a number of other men from West Virginia, said to have been sent in in an attempt to avert troubles in the mines, is alleged to have slapped a Taylor boy the son of Bud Taylor. The miner, it is stated, took up the quarrel, and was shot and killed instantly by Hall.

Miners then fired upon Hall. Following this there was rioting, in which the miners were lined up against the officers and guards. Deputy Sheriff Burkes was killed in this fighting.

Fully one hundred shots are said to have been fired.

The guards and detectives, it is said, in an attempt to avert any further trouble, since feeling is running high, all have been sent away, and the miners are armed and searching for the men who fought against them in the disorders Saturday. No arrests have been reported.

THREE JOIN ARMY HERE TODAY.

Three young men, all from Fleming county enlisted in the United States Army at the local recruiting station this morning. They were, George W. Kinder, 3 years, and Roy E. Carpenter and Robert A. Call, both for one year in the 83rd Field Artillery.

OFFICERS OF STATE BOARD OF HEALTH ARRIVE HERE TODAY

Captain Harrah and Lieut. Gorman Return to Mayville—Dr. McCormack, Secretary of State Board Was Expected.

Captain C. N. Harrah and Lieutenant A. E. Gorman, sanitary experts of the United States Health Service, who are now working under the State Board of Health, arrived in Mayville this morning. They expected Dr. A. T. McCormack, of Bowling Green, Secretary of the Kentucky State Board of Health, to arrive here this afternoon from Frankfort by automobile but he failed to arrive and he was located over long distance telephone in Louisville.

Although Captain Harrah, seen by a Ledger representative afternoon, refused to make any statement in regard to his trip to Mayville except that he expected to meet Dr. McCormack here, it is supposed that these officials of the State Health Board came to Mayville for the purpose of carrying out Dr. McCormack's promise that there would be something done within a few days about the local water situation.

Captain Harrah would not say what he expected to do about the situation and when he learned that Dr. McCormack had returned to Louisville instead of coming to Mayville, he seemed greatly disappointed and stated that he did not know that he would remain in Mayville.

You Feel That Way If Your Blood Is Starved for Red Cells

PEPTO-MANGAN MAKES RED BLOOD

Overcomes That Languid Feeling That Cheats You Out of Work and Fun.

You say, "I wish I could go, but I don't feel able." Your friends say, "Are you ill?"

You are not exactly sick, you just feel unable to approach work or play in the old, vigorous spirit.

The high speed at which Americans live sometimes taxes their strength. The blood is weak, lacking in red cells. When this condition exists, Gude's Pepto-Mangan takes three times a day shows quick benefits. Pepto-Mangan is known to physicians as The Red Blood Builder. It increases the supply of rich, healthy blood and in the absence of deep-seated disease this means health and strength for men, or women or children.

Pepto-Mangan is put up in both liquid and tablet form. Both forms are exactly alike in medicinal qualities. When you order Pepto-Mangan, be sure to ask the druggist for "Gude's." And look for the name "Gude's" on the package. If "Gude's" is not there, it is not Pepto-Mangan.—Adv.

CHINATOWN IS BEDLAM WHEN FIRE BREAKS.

New York. — Chinatown lost its oriental placidity when flames swept the apartment house in which Tom Lee, late "mayor," had his headquarters and threatened to raze the joss house on Mott street, in which thousands of Chinamen have bowed to worship.

Scores of Chinamen refused to leave their personal effects and had to be carried down extension ladders to safety. A dozen were overcome by smoke. Mrs. Mabel Lee, widow of the late "mayor," was one of those rescued.

Oriental and "shunners," smoked out, ran into the streets, terror-stricken, while on the balconies of the Chinese dwellings appeared hundreds of frightened Chinese men and women, crying for help in a language that not a fireman or policeman could understand.

There was once a time when if a handsome young actor had a wife—or worse yet—a family—it was kept a dark secret. There was an idea that if the matinee girls ever learned the awful truth, they wouldn't be interested in the actor any more, and so the play would fall and the manager would fall and the world would come to an end generally. But things are different now, and the stage folk and the folk

HOLYOKE GIRLS OWN COOKS AN DRAIDS NOWADAYS.

South Hadley, Mass.—When the cooks walk out of the kitchen at Mount Holyoke college the college girls walk in. Even the housemaid is becoming a member of an extinct species in this place, the seat of the college. The college girl is her own maid and her own waitress—even her own cook.

In spite of the added work, the Mount Holyoke girl thinks she has hit upon the ideal condition. No more does she have to set her chamber in order before the maid enters in the morning, as was her custom in the past, for she used to feel so ashamed if her books and papers were carelessly strewn about the desk or articles of clothing on the furniture, that, before she admitted the chambermaid, it was her custom to clean the room.

At the present time all the girls are cleaning their own rooms. Whatever maids there are do the scrubbing and

Wounds From Rusty Nails Dangerous

Houstonia Your Safeguard

Serious results, through blood poisoning, often occur from scratches, cuts or wounds from rusty nails or other metal. Don't run this danger. Protect yourself by having a bottle of Houstonia always at hand for emergency use.

Dean McKillip, well-known farmer of Clark Co., Ohio, says: "I stepped on a rusty nail which extended halfway through my foot. I applied Houstonia to the wound and bandaged the foot. In a short time the pain got easier. After five days I did not limp and the wound healed nicely."

Houstonia (The Original Jones' Liniment) may be freely applied to open cuts, sores or burns without fear. It soothes while it heals. At your druggist, 25c, 50c and \$1.00 sizes. heavier work of cleaning halls and verandas. Cooking is a more modern achievement for the girls, precipitated by the loss of the cook in Woodbridge hall. As a labor of love for the head of their house, the girls at once volunteered 100 per cent. strong to do their best to relieve the situation.

Not only do they take care of their rooms and, neatly aproned in white, serve the meals, but they wash the silverware and serve as a mobile emergency force ready to direct their efforts to the kitchen or any place where assistance may suddenly become necessary. There is to be no pecuniary reward, but that matters little, for Mount Holyoke girls are accustomed to giving their services free for many causes.

The reason for the present shortage of feminine help is, of course, largely a result of the college's inability to compete in wages with the factories of Holyoke and Springfield. In the case of male labor, the situation is even worse. Ground tenders and firemen who already are paid amounts equal to the salaries of instructors and associate professors, often leave the college. The ground tenders find that at Holyoke, a nearby city, they can get 30 cents a day more for doing odd jobs than the college pays them.

It will not be surprising if those girls who line up each morning before the college house bulletins to see whose turn it is to care for the rooms, and whose to dust the halls, and whose to tend the door, become this spring the volunteer lawn mowers for the college.

CASH BURNED WITH LOUISA FAHM HOME.

Louis, Ky., March 22. — Fire of undetermined origin caused a loss estimated at upwards of \$20,000 and destroyed the residence and barns of Carl Buchett, a farmer living near Louisville.

The blaze broke out while Buchett and his wife were at work on a section of the farm more than one-half mile from their home. It was beyond control before they could sound an alarm. The residence was valued at \$5,000, barn \$1,800, stock \$2,000, machinery \$2,000 and several thousand dollars worth of feed.

Approximately \$8,300 in cash which the farmer and his wife had concealed in the house was also burned.

SLEEPING SICKNESS GROWING IN STATE

Twelve Cases of Strange Disease Now Reported in the State of Kentucky.

Louisville, Ky., March 23. — With nine cases of sleeping sickness reported in Louisville and Jefferson county and three in other sections of the state Dr. A. T. McCormack, secretary State Board of Health, Monday began a thorough investigation of the situation.

The cases that have come to the attention of medical science of Louisville are declared to be mild, according to reports and descriptions of those in Europe. Doctor McCormack said today that no deaths from the disease in Kentucky have been reported to the State Board of Health.

Of the cases in the other sections of the state, one was in Hopkins county, one in Central Kentucky and one in the mountains. These patients were improving and their recoveries were expected. It requires several months for the sufferer to recover.

Sleeping sickness is not in epidemic form and every effort will be made to combat it. Among those who consulted with Dr. McCormack in inaugurating the investigation of the cases reported were Drs. John Moran, W. E. Gardner, W. P. Scott and Milton Board.

PARTY PLEDGES ON LIQUOR LAWS KEPT

Promises of Both Parties Redeemed in Enforcement of Prohibition Act and One To Suppress Moonshining.

Frankfort Ky., March 20. — The Kentucky legislature kept the pledges made by both political parties in the matter of law-enforcement legislation to back up the state and federal prohibition amendments. Not only was a drastic law-enforcement law enacted, modeled on the Volstead national prohibition act, but a statute which will make moonshining a risky, as well as unprofitable business also was put on the statute books, and still another law levies a tax of 50 cents a gallon on whisky in bonded warehouses, to be paid on its removal for any purpose, such as its sale for medicinal uses, and from this latter tax the state will derive a considerable revenue.

Party lines were disregarded in the vote on these bills. Few of the members of either house opposed prohibition enforcement, only six senators voting against the law-enforcement bill on final passage. While the vote in the House against it was larger, some of it was on account of certain provisions rather than to express opposition to the enforcement of the prohibition law. The bill was offered in the House by Representative Homer C. McLellan, of Louisville, a Republican. The Senate bill, which provides heavy penalties for moonshining, was introduced by J. D. Whiteaker, a Democrat, and J. Wood Vance, of Barren, another Democrat, was the author of the bill to tax whisky removed from warehouses for use 50 cents a gallon.

JONES-PAUL.

William O. Paul, aged 26, and Miss Lucy Mae Jones, aged 24, both of Germantown, were granted marriage license here this morning. They were later married by Rev. Williams, pastor of the Germantown Methodist church.

MUCH TROUBLE EXPERIENCED IN GETTING THE PETIT JURY

Hard Matter for Court To Get Twenty-Four Men To Serve as Petit Jurors for Spring Term.

The same trouble experienced in Circuit Court Monday in getting a working Grand Jury was experienced this morning by the court in selecting the petit jury for the term. Thirty-six men had been summoned but the majority of the farmers called on the list, were offering the very reasonable excuse that Spring weather was upon them with some of their Spring work done and they wanted to be relieved from jury duty that they might go into their plowing.

After having excused enough men as to run through the entire list of 36 and yet being unable to get 24 jurors sheriffs summoned several by-standers and after no little trouble the jury for the term was selected as follows: Messrs. R. R. Hull, William Cnblish, H. O. Chambers, George Clephane, Bldwin Cartmell, William Dersch, Henry Gable, Dave Chlan, H. D. Collins, Neal Dwire, John Marshall, Watt Bldwin, H. T. Bouldin, E. Frank Boyd, Clnreaco Phillips, John Elliott, James Coffee, G. B. Smoot, A. K. Marshall, Joe Lane, Lewis Forman, and C. W. Fleming.

BIG CARNIVAL COMING.

The advance man for Barkoot's Carnival was in the city Monday making arrangements for the presentation of his show in this city during the first of April. It is understood that the carnival will be placed on the bill park lot in East-Seconu street. Rubin & Cherry's big shows are also asking for a date in Maysville for the early Spring. Indications are that there will be several carnivals here this Spring and summer.

It smells good. Tastes good, it's good. Ask your grocer for Rockwood coffee in one pound sealed packages, steel cut.

SPOTLIGHT PLAYS ON COP AT BUSY DAKLAND CORNER

Oakland, Calif. — Stage stars have nothing on Patrolman Dan Flemming, the biggest cop in the police department, who henceforth will bask in the rays of a spotlight every evening for the enlightenment of the traveling public. Flemming is stationed at Fourteenth and Broadway as traffic officer, and in order that he may not be overlooked in the dusk of the winter evenings, a spotlight has been arranged to shine upon him from the convenient elevation of a corner building.

Recent statistics show that 1,725 British girls married doughboys.
